2. The Board considers that the need for an Assistant Tahsildar in a district Headquarters taluk like Bellary , is indeed very real and great. The Taluk Supply Officer, who will be exclusively engaged in civil supplies, will be of no assistanfe to the Tahsildar in any other branch of work. It is really necessary to give some relief to the Head Quarters Tahsildar in the interest of efficient administration It therefore recommends that the Government may be pleased to sanction the employment of an Assistant Tahsildar in the cadre of Deputy Tahsildar for a period of one year from the date of appointment. The statistics furnished by the Collector, show that the work in the taluk office has increased considerably.

Subject: Establishment - Temporary - Bellary taluk - Asst. Tahsildar - appointment proposals- orders requested.
Read: 1. Bellary Tahsildar's Rc.No 8203/48.A.5 d/8-11-48
2. G.O.Ms.No.478, d/21-4-47.

The post of an Assistant Tahsildar for Bellary taluk was sanctioned in the G.O. cited above to assist the Taluk Tahsildar in the normal routine work of the office The main object of continuing the Asst.Tahsildar was to ensure efficient administration and speedy despatch of work in the taluk office, which is considerably a heavy

office in the District. The post was abolished ~~of~~ in December 1948 with the advent of decontrols and abolition of rural rationing. As the stress on procurement of good grains was lessened, the taluk Tahsildar was relieved very much of this strain and was able to attend to the office work. Hence there was no need to continue the Assistant Tahsildar, and the post was abolished.

2. With the reintroduction of controls, rationing and procurement of food grains the necessity for the appointment of the Asst.Tahsildar, has again arisen. The Taluk Tahsildar is made responsible along with the taluk supply officer, for food procurement in Bellary taluk. Besides, he has to do much out-door work like azmaish and inspection of encroachments and House sites; these items of work are considerably heavy in this taluk. In the midst of his multifareous duties the Tahsildar is not able to devote much of his attention to the Routine work in the office, and efficiently ~~gra~~ is gradually deteriorating . The Taluk Supply Officer, attached to this taluk is mainly attending to the procurement of food grains and distribution of stocks to the villages. It is not also possible for him to supervise the routine work of the office.

3. Many Provincial officers and Hon'ble ministers will be visiting Bellary frequently and arrangements have to be made for their stay. The Tahsildar, who is burdened with procurement and other out-door work is not able to look after the arrangements and the Asst.Tahsildar who will not have much out-door work will be able to look after the arrangements without detriment to his office work.

4. The kist season will commence from Feb.1949 in this taluk and it is one of the heaviest taluks in this respect. Major portion of the L.R. has to be collected from Bellary town proper and it is one of the difficult tasks. A responsible officer like Asst. Tahsildar or Tahsildar will be able to ~~rxxxx~~ recover the land revenue arrears from the defaulters. The Tahsildar will not abe able to pay much attention to the collection work in the town along with procurement work. If he is not given assistance there is likelihood of slackness in land revenue collection work. There are also arrears of Takkavi loans in this district, which have to be recovered along with the land revenue. The Asst.Tahsildar will be able to attend to these items and ensure ~~ixxxx~~ addd progress. The particulars of arraars are also given in the statement appended.

5. The officex work has also increased considerably and the particulars of papers received for disposal during the last three years which are given in the statement appended, will give an idea of the increase of work in the taluk office. There are 16 clerks in this office whose work has to be supervised. The Asst.Tahsildar will be able to exercise good control over the office and ensure speedy despatch of work. He will also attend to the inspection of encroachments and House sites in the villages, which are very near to the Talu Headquarters.

6. I therefore request that the Board may be pleased to address the Government to accord sanction for the appointment of one Assistant Tahsildar in the cadre of Deputy Tahsildars for a period of one year from the date of employment.

1 2. For the reasons stated in it, the Board recommends the Coll's proposal to appoint an Asst. Tahsildar to give relief to the Headquarters Tahsildar Bellary

p 1 C.F.

3. There are at present no Head Quarters Dy Tahsildars or Asst. Tahsildars in the Head Quarter taluks of South Arcot, Chittoor, Tirunelveli and Bellary. There was an additional Dy Tahsildar in Bellary to assist the Tahsildar, Bellary in the work connected with price control but the post was abolished from 28.12.47 consequent on the abolition of rural rationing, decationing of millets. In July 1947, while examining the necessity of Head Quarters Dy Tahsildars in all the Dts, the Board reported that such posts were not necessary in this Dt. The Collector now reports that with the re-introduction of controls, rationing and procurement, the necessity for the appointment of an Asst. Tahsildar has again arisen. Besides, he reports, that the work of the Tahsildar has increased considerably and that it is necessary to give him relief.

4 In the circumstances, it is for orders whether the post of Asst. Tahsildar for the Bellary taluk will be sanctioned. Subject to orders, a draft order is submitted for approval. Food and Fin Depts may see for acceptance.
